

# Magic Landscapes

von Rainer Grosskopf

**Fantastic, fascinating landscapes from different parts of the world in magical light in all**

Let yourself be carried away into enchanting landscapes, which are presented in magical light in dreamlike places in different parts of the world. Deserts, waterfalls, coasts and mountains, including those from the USA, Iceland, Spain and Ireland, show the diversity and beauty of our world. The pictures awaken a longing to visit the places or they bring back memories of past journeys.
