von Irma van der Wiel -
www.kalender-atelier.de

This calendar shows beautiful Icelandic horses in their natural environment: Iceland. Icelandic horses ... robust, fast and purebred. Always outside, both in the cool Icelandic summer and in the arctic winter. They brave storm and frost in their Icelandic homeland, their dense winter coat keeps them warm and protects against the cold. This calendar contains 12 pictures of this colourful horse breed, taken in all 4 seasons and of course where the Icelandic horses are at home - between 63° and 66° North.
