

Nashörner - Sanfte Riesen - Familienplaner hoch

von ROBERT STYPPA

Brilliante Fotos dieser faszinierenden ...

In Afrika gibt es schätzungsweise noch knapp 25.000 Nashörner, mehr als 80 Prozent davon leben in Südafrika. Leider hat seit 2008 die Nashorn-Wilderei wieder massiv zugenommen. Dieser Kalender zeigt die Anmut und Schönheit dieser einmaligen Tiere, die es zu schützen und erhalten gilt.
