

# Splendid Vienna

von Hanna Wagner

The wall calendar shows the contrasting facets of the Austrian Danube metropolis Vienna in an

The Austrian capital combines top-class art and architecture with the relaxed flair of cosiness and the dynamic pulse of a modern metropolis. Landmark in the heart of the inner city is the gothic St. Stephen's Cathedral, directly adjacent to the spacy mirrored Haas House. At the same time, the area of the Hofburg Palace and the Vienna Ringstrasse with its masterful buildings of Historicism and Art Nouveau as well as the avant-garde MuseumsQuartier and the futuristic UNO City are also charming and
